Letter No. 85-80

RE: SSI/SSP RECIPIENTS DISCONTINUED EFFECTIVE JANUARY 1986
(LYNCH V. RANK)

The attached listing contains the names and addresses of those persons, residing in your county, whose SSI/SSP benefits were discontinued effective January 1, 1986 due to the Title II (RSDI) cost of living increase. These individuals have received a notice (see attached) from the Department of Health Services advising them that if they are not contacted by their local county welfare department by February 15, 1986 they are to contact the county welfare department in the county in which they live.

Also included in the listing are the names of those individuals whose SSI/SSP benefits were scheduled to be discontinued effective January 1, 1986 but whose benefits may have been reinstated prior to that date. The notice from the Department has a disclaimer "if your SSI/SSP benefits have been reinstated since January 1, 1986 please disregard this notice". These people must also be contacted by the county to verify that they understood the message and that no redetermination is necessary.

The procedures to follow when making this contact are described in All County Welfare Directors Letter 84-57.

You will receive another copy of this listing in February, March and April, 1986. Additional names will not be added to the listings, however the names of those individuals who have been reinstated on SSI/SSP or determined eligible for Medi-Cal as medically needy will be deleted.

Your county will not receive a listing once all the beneficiaries named in the listing have been determined eligible for Medi-Cal or reinstated to SSI/SSP.

TO: MEDI-CAL BENEFICIARIES DISCONTINUED FROM SSI/SSP ON JANUARY 1, 1986

CONTINUED MEDI-CAL BENEFITS

You were recently notified by the Social Security Administration (SSA) that your SSI/SSP (gold check) was discontinued. That notice also instructed you to contact your county welfare department within 30 days if you wanted your Medi-Cal benefits to continue. You should disregard the information contained in that notice that pertained to your Medi-Cal benefits.

The reason your SSI/SSP gold checks were discontinued is that you received an increase in your Social Security benefits (green check). Although this increase makes you ineligible for your SSI/SSP gold check, you will continue to receive Medi-Cal benefits until your county welfare department notifies you otherwise.

If you do not hear from your county welfare department by February 15 or if you have any questions about your Medi-Cal benefits, you should contact the county welfare department for the county in which you live. To assist you, we have attached to this letter a list of the addresses and telephone numbers of all county welfare departments.

If you have already been in contact with the county welfare department and you know that your application for Medi-Cal has been processed or is being processed, follow the instructions that the county provided at the time of your interview. There is no need for you to contact them again, unless requested to do so by the county, or if you are in doubt as to your Medi-Cal status.

If your SSI/SSP benefits have been reinstated since January 1, 1986, please disregard this notice.
